GEORGIA SECRETARY OF STATE REQUESTED TO INVESTIGATE MARJORIE TAYLOR GREENE FOR FELONY SOLICITATION TO COMMIT VOTER FRAUD

Today, the American Muckrakers PAC, Inc., sent a letter to Georgia Secretary of State Brad Raffensperger requesting his office investigate Marjorie Taylor Greene for alleged felony solicitation to commit voter registration fraud.

The allegations in the letter are focused on a video of a phone call Ms. Taylor Greene had with a donor where she gave him step-by-step directions on how to commit voter fraud by temporarily relocating to Georgia and registering to vote for the 2020 elections.

David B. Wheeler, President of American Muckrakers PAC, Inc., said the following:

“Why is it the Marjorie Taylor Greene believes she is above the law and is always pushing people to break the law?”

Maybe Taylor Greene needs to stop yelling and do a little reading about voter registration laws in Georgia. Providing instructions and asking someone to commit voter fraud in Georgia is a felony.

Taylor Greene’s alleged actions are egregious, and the Georgia Secretary of State’s office needs to investigate and hold Taylor Greene accountable.”

Re: U.S. Rep. Marjorie Taylor Greene (R-GA) Alleged Election Law Fraud

Dear Secretary Raffensperger:

I am the Co-Founder and President of American Muckrakers PAC, Inc., a North Carolina non-profit corporation and Federal Election Commission registered political action committee. Our focus is on holding politicians accountable.

Attached to the email sending this letter to you is a video recording of a phone call between Rep. Marjorie Taylor Greene (R-GA) and Mr. Alander Lee Pulliam Jr. [Based upon the Daily Beast article linked here, we believe Mr. Pulliam lives in California.](#)

In this call, as you'll hear, Rep. Taylor Greene explains to Mr. Pulliam exactly how he could commit voter registration fraud in Georgia to benefit candidates she was supporting. Rep. Taylor Greene's intent is clear: move to Georgia, get an address, get a driver's license, register to vote, then commit voter fraud by voting in the 2020 elections for candidates she wants Mr. Pulliam to vote.

What we don't know is how many other solicitations of fraud, similar to this specific instance, Rep. Taylor Greene committed nor how many people she convinced to actually commit this act of voter fraud.

Therefore, in my capacity as President of American Muckrakers PAC, Inc., we are formally requesting your office, or the appropriate Georgia law enforcement agency investigate Rep. Marjorie Taylor Green (R-GA) for Criminal Solicitation to Commit Voter Fraud under [GA Code § 21-2-604 \(2016\)](#) and any other violations your office uncovers.

As you are no doubt aware, suggesting (solicitation) that someone commit voter fraud is punishable as a felony under Georgia law. Whether Mr. Pulliam actually committed the voter registration fraud is not the sole element of a felony violation as we have alleged against Rep. Taylor Greene.

Rep. Taylor Greene's actions are egregious, and she must be held accountable for this alleged felony act of voter fraud. Please contact me if you would like additional information on this allegation.

Respectfully Submitted,

AMERICAN MUCKRAKERS PAC, INC.

David B. Wheeler, President
